

## Morris County Chamber of Commerce Technology Committee Member Bio

### Zaphyr Technologies

**Mr. Shawn Butt; IT Solutions Architect**

#### About:

Zaphyr Technologies is a Microsoft Gold Certified organization focused on providing IT Services & Support to Small Medium Businesses and Local Government Agencies. We help business grow their infrastructure and assist in applications and data migration. As an HP Authorized Reseller, you are assured that Zaphyr Technologies will get you the right hardware for the right price. Our Motto is to *“Provide Enterprise Class Technology on an SMB Budget.”*

#### I provide:

- Computer Network Break/Fix and Troubleshooting
- Annual Tech Support Maintenance Contracts
- New Hardware purchase; Servers, Desktop, Laptop
- Upgrade Infrastructure: 2000 Domain to 2003 AD, Exchange Migration, SQL Upgrades, etc.

#### I'd like to speak with:

- Owners of Small Business who would like to outsource their IT Support.
- IT Managers who would like to implement new Technologies but don't have the bandwidth or expertise in-house
- IT Admins who would like help with high-end technology implementations.
- Network Managers who need Temp staff to assist them with IT Moves, Adds, Deletes.
- Office Managers who would like to expand or connect multiple branch offices together.
- Data Managers who would like to talk about Disaster Recovery Plans and Off-Site Data Storage.

#### Situations where I can help:

- Designing a new Network or expanding the current
- Migrating Servers, Domain, Mail Servers, etc.
- Troubleshooting connectivity or Network issues
- Designing Disaster Recovery Plans.
- Vendor selection and getting quotes.
- Installing new Server or upgrading hardware
