

Morris County Chamber of Commerce Technology Committee Member Bio

Knowledge Anywhere, Inc.

Ms. Karen Flaherty; *Sr. Business Development Manager*

About:

Knowledge Anywhere has experience designing and deploying new technology-based education systems and content in as little as eight weeks. We work with many different types of companies, including medical technology companies such as Beckman Coulter and Siemens Healthcare Diagnostics (formerly Dade-Behring), technology companies such as Microsoft and HP, and Starbucks, Palm, Rush University, Charles Schwab and Sysmex.

I provide:

- Custom-developed training courses
- Compliance training courses
- Sales and channel partner training
- LMS Tracking system (Quest Track)

I'd like to speak with:

- Training and Development directors
- Compliance officers
- Channel managers
- VPs of Sales
- Product managers

Situations where I can help:

- New hire training
- New product training/introduction
- New policy training
- New sales training
- Channel partner training
