

The Morris County Chamber of Commerce is pleased to announce a new Affinity Partner:

**Safari Telecom  
6 Arrow Rd  
Ramsey NJ 07446  
www.safaritelecom.com  
201-934-7400**

Safari Telecom is a long time member of our Chamber who helps their customers enhance and optimize voice and data communications. The company combines years of experience, a broad portfolio of product service offerings, and a client-centric approach which results in powerful solutions for its customers.

Whether you have ten employees or over a thousand, Safari Telecom can provide the best solution for all of your communication needs. They have helped many customers increase productivity, reduce operational costs and improve customer service. Working with their experts you will gain insight into the competitive advantage you can create for your organization through the telecom marketplace.

We encourage you to reach out to Safari Telecom to discuss your current telecommunications needs.

To schedule a complimentary meeting please contact Scott Kushel at 201-258-0151 or [@safaritelecom](mailto:@safaritelecom). and be sure to mention you are a Chamber Member.

Client Testimonial:

*"The Morris Museum and Safari Telecom have been partners for many years. With Safari's guidance, we have been able to reduce our costs, increase our efficiency and offer better service within the museum complex. Safari has been very helpful in implementing solutions, responding during outages and servicing our needs in a timely fashion. We are very pleased with the working relationship that we have built with their staff."*

*Michelle Syre  
Facilities and IT Manager  
Morris Museum*
