

Wednesday Night Network

Build Relationships in Your Business Community

Join us for Wednesday Night Network at the Hyatt Summerfield Suites for an **OUTDOOR, POOLSIDE, structured networking event** which makes meeting other professionals fun and easy!

Presented by the Chamber's Young Professionals Committee, this event is open to all! We invite and welcome **representatives of all industries, levels of experience and demographics** to take part in both open networking and structured introductions which will allow you to:

Discover. Discover and learn about other businesses in the community and allow others to learn about yours.

Connect. Never underestimate who you will meet—you never know who they may know! The more people who know you, the more people who can refer you to others.

Grow. Meet those who can share their experiences, ideas and perspectives in the marketplace to increase your knowledge of people and other schools of thought.

Build. Networking is primarily about building relationships and less about a sales pitch.

Give. Potentially help someone! Being able to provide something of significant value to someone else can be a source of satisfaction and a step toward building a relationship.

After the structured networking, enjoy an included **BBQ with wine, beer, soft drinks...and door prizes!**
